- Earned M.Ed. from Gonzaga University
- Currently working in my 17th year in Education
- Recipient of the Province of Alberta's Excellence in Teaching Award in 2004

We are most grateful for receiving this extremely generous donation from the Indigo Love of Reading Fund. The new resources will have an enormous positive impact on increasing our students' learning. Our students will have the opportunity to be the first to experience opening and reading a new book instead of having to read books we have had for years or books that we have received as donations from other schools. Thank you for your overwhelming generosity!
